## Noisy Change

Today, July 30, is fifth Sunday Noisy Change Offering. The offering will go to Circles of Hope. Harvey County Circle of Hope is a relationship based initiative that seeks to improve the financial health and well-being of the community and its residents. Circle of Hope connects community volunteers with families ready and willing to begin their journey towards financial stability. Community volunteers support and encourage families by sharing their time and friendship. Harvey County Circle of Hope encourages growth from people of all financial classes and engages the community to break down the financial barriers that can keep the most motivated from achieving prosperity.
